Transfer rates are on a per-person on return trip basis and inclusive of taxes. Mandatory return transfers from Male airport to the Resort need to be arranged by the Resort, once international flight details have been communicated. The resort cannot be held responsible for missed connection(s) caused by factors outside the control of the Resort and the carrier, such as but not limited to weather conditions, Force Majeure, air traffic control procedures, and aircraft/passenger handling delays.

TRANSFERS BY SEAPLANE

Only seaplane transfer guests will be able to use the Resort's exclusive seaplane lounge as this lounge is located at the seaplane terminal. Seaplane operates from 6 am to 3:30 pm (check-in hours). Guests arriving after 3:30 pm may need an overnight stay before being transferred to the Resort the next morning. Departure transfer is guaranteed for international flights departing Male airport not earlier than 9 am. Guests who depart on international flights leaving Male airport prior to 9 am, must depart from the Resort on the day before and stay overnight in Male city at their own cost.

The seaplanes are scheduled to depart within two hours from the time of check-in at the seaplane counter. However, due to any delays of international flights, or severe weather conditions and arrangements of combined flights of several resorts, the waiting times may vary. Guests are requested to proceed to the check-in counter immediately after the arrival procedure.

Luggage restrictions for flights by seaplane are 20kg per adult/child for checked-in luggage and 5kg for carry-on luggage, regardless of allowances granted by the international airline. Excess luggage would be charged to the guests directly by the carrier at the airport at the time of check-in and this is required to be settled directly to the carrier at the airport by the guests.

In extraordinary circumstances, luggage/s may be transported by boat or by a later flight/seaplane subject to the civil aviation requirements of the service provider (note that all policies and procedures implemented by seaplane operators, domestic flight operator, and local authorities are to be followed when traveling on seaplanes and domestic flights). In the event of adverse weather conditions, the transfer provider may offload checked luggage to another flight, and it is advisable to carry essentials in hand luggage.

TRANSFERS BY DOMESTIC + SPEEDBOAT

Domestic transfers are operated by a third-party carrier to Ifuru or Dharavandhoo Airport (flight time approximately 20 minutes) followed by a 40-minute speed boat ride to the Resort. Luggage allowance is 25kg per adult/child for checked-in luggage and 5kg for carry-on luggage regardless of allowances granted by the international airline. Due to delays of international flights and severe weather conditions, the waiting time may vary. Guests are requested to proceed to the check-in counter for domestic flights immediately after the arrival procedure.

Excess luggage would be charged to the guests directly by the carrier at the airport at the time of check-in and this is required to be settled directly to the carrier at the airport by the guests. Last-minute transfer arrangements or changes (within 72 hours prior to arrival) might incur additional boat charges of USD 200.00 to be borne by guests directly.

FUEL CHARGES

Both seaplane and domestic flight transfer rates are based on a fuel price of 75 US cents per litre. Fuel prices are determined as JET A1 fuel published price at Velana International Airport for Domestic Operators. Resort will impose a surcharge of US\$ 1 per person per one-way flight (US\$16 per one-way for charter flights) for every 5 US Cents increase per litre about the Fuel Base price.
